

Francis

A bedroom scene featuring a white distressed crib with a scalloped apron and cabriole legs, a chandelier, and a dresser. The room has two arched windows with white curtains and a light-colored rug. The crib is the central focus, with a striped bedding set. The chandelier is ornate with multiple lights and crystal accents. The dresser is white with a distressed finish and a mirror on top. The overall atmosphere is elegant and vintage.

the Francais collection

Reminiscent of treasures found in the French countryside, the Francais collection offers a vintage feel and understated elegance. The details found in the scalloped apron, cabriole legs and hand distressed finish allow you to create a soothing and lovely Villa ambience.

Decorating your nursery is an exciting and important time in your life. Safety, design, style and finish are important considerations when planning your room. All of our furniture is certified by JPMA (Juvenile Products Manufacturers Association) and rigorously tested to comply with all the standards and requirements of the CPSC (Consumer Product Safety Commission) and ASTM (The American Society for Testing & Materials International). In addition, we require our suppliers of finishes and painted items to supply us with certificates of testing, stating these items are free of lead and heavy metals. We also test random samples from our production lines regularly in A2LA Certified Labs.

We provide one of the best warranties in the industry—one that has you covered for 10 years. So, rest assured, the Bonavita Collection your little one is in, is a safe and stylish product!
