A photograph of a nursery room featuring a dark wood Metro collection crib, dresser, and changing table. The room is bright with a large window in the background. A white dog is lying on a rug in the foreground. The text 'the Metro collection' is overlaid on the right side of the image.

# *the Metro collection*

*Designed to answer the age-old question of city living versus the urban life, the Metro collection accomplishes it all. Whether you're a classic urbanite explorer or a downtown traditionalist, this collection is for you. With a sophisticated look and feel, Metro is a study in both modern and traditional—providing you the best of both worlds.*

*Decorating your nursery is an exciting and important time in your life. Safety, design, style and finish are important considerations when planning your room. All of our furniture is certified by JPMA (Juvenile Products Manufacturers Association) and rigorously tested to comply with all the standards and requirements of the CPSC (Consumer Product Safety Commission) and ASTM (The American Society for Testing & Materials International). In addition, we require our suppliers of finishes and painted items to supply us with certificates of testing, stating these items are free of lead and heavy metals. We also test random samples from our production lines regularly in A2LA Certified Labs.*

*We provide one of the best warranties in the industry—one that has you covered for 10 years. So, rest assured, the Bonavita Collection your little one is in, is a safe and stylish product!*
